COMMUNITY UPDATES

We're excited to announce that the tree removal and trimming project in our community has been successfully completed! This ongoing effort, which began on 1/7 and ended on 2/1, helps keep our grounds beautiful, safe, and well-maintained. Thank you for your patience as we continue enhancing our outdoor spaces!

COMMUNITY REMINDERS

As temperatures drop, take these simple winterization steps to protect your home:

- Leave water faucets dripping to prevent pipes from freezing.
- Set thermostats to 65°F—don't turn off the heat.
- Keep garage doors closed and disconnect water hoses.
- Open cabinet doors near faucets to protect pipes.
- Don't warm your car inside the garage—avoid carbon monoxide buildup.
- Notify the leasing office if going on extended leave.

These easy actions will help keep your home safe and warm during the colder months!

UPCOMING LOCAL EVENTS

Skeet & Trap Evening Shooting
